implast

Implast Chocolate Moulds Company is located in Istanbul, Turkey and it is the only Turkish Company specialized in the production of polycarbonate moulds for chocolate production.

The wide range of polycarbonate moulds that we produce are available in all sizes and for various types of chocolate plants. Our range of moulds contain solid and center-filled moulds, double moulds, book type moulds with magnets, etc.

For more than 40 years Implast has developed its own manufacturing methods in order to guarantee the quality.

Implast mainly offers injection moulds especially created according to customers needs. We have also developed a large number of standard moulds for small sized chocolate producers.

We create designs specifically embracing our customers' individual needs. You will find our several designs made for our customers for different plants as well as the standard moulds in our website. <http://eng.imrenplastik.com>

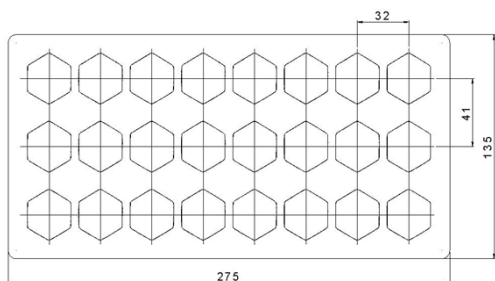

Implast has started the production of standard chocolate moulds. You can choose from our wide range of standard designs and order with no minimum quantity.

Implast has one aim: To manufacture perfect moulds for your perfect chocolate product.
