

The logo for Cremio, featuring the word "cremio" in a white, lowercase, sans-serif font with a registered trademark symbol (®) to the upper right. A teal wavy line is integrated into the letter 'e'. The logo is centered within a white horizontal bar that has rounded ends on the right side. The background of the entire image is a gradient from light green on the left to light blue on the right, with large, abstract teal shapes that resemble waves or flames.

Company History

The company has been established in march 2001 based in Bulgaria's capital city - Sofia

From its beginning until now it has changed both its name and ownership several times:

- 2001 - 2007 the shares of the company were split between the German company "Meggle" and the Lebanese company "MJ Pack" in ratio 50:50%;
- 2007 - 2008 "MJ Pack" acquired the full 100% ownership and renamed and re-branded it into "My Day";
- In 2008 г. "My Day" is turned into a part of the global group of "Codap" when the Italian company "Co.Da.P Cola Dairy Products Spa" acquired 60% of its shares;
- In 2009 "My Day" officially changes its name to "CODAP" when a full 100% ownership was acquired from "Co.Da.P Cola Dairy Products Spa"
- In 2015 "Codap" was acquired by "Cremio" JSC financed by „Empower Capital“ and „Uneeda Industries“ Investment funds.
- From December 2017 the two investment funds exit and Cremio JSC is 100% owned by "Global Cream Investment" JSC.

Company Highlights

- Thanks to its history, the company being a part of Meggle and Codap , acquired both the know-how and the ability to produce both the unique tasty Italian products as well as the , the more stable German recipes. This fact presents to “Cremio” to answer all possible customers’ and markets’ needs.
- The factory location gives the company the opportunity to serve on a very competitive logistic prices all the Balkan countries;
- The company has an unique production abilities and port-folio for all the Eastern-European region.
- Nowadays “Cremio” sales are more than 60% made in the export markets and we have a customer network in more than 40 countries in Europe, Asia and Africa.

**The company is certified:
ISO 9001:2015 , IFS and implemented HACCP**

PRODUCTION CAPACITIES

Overall Production Capacities

- Overall Production capacity –140 million liters per year;
- Specialized in production Milk and Cream;
- PET bottles , Cartons, Bag in Box packages;
- Formats: * 10 000 ml * 1200 ml * 1000 ml * 800 ml * 700 ml * 600 ml * 500 ml * 330 ml * 250 ml

Production Capacities –Milk and Cream

A production line for UHT products - milk, whipping cream, cooking cream

- Tetrapak filling machine – ATRI-FLEX
- Production capacity: 50 million liters per year
- Formats: Tetra Square -1000ml ,500 ml
- Screw cap or straw .

Production Capacities –Milk and Cream

A production line for UHT products - milk, whipping cream, cooking cream

- Tetrapak filling machine - TBA 08
- Production capacity: 25 million liters per year
- Formats: Tetra Brick - 1000ml
- Possibility of having a recap added

Production Capacities –Milk and Cream

Combiblok filling machine -CB 505

- Production capacity: 19 million liters per year
- Formats:
 - 1000ml
 - 500 ml
 - 250 ml

Bag in Box filling machine - Elpo

- Production capacity: 18 million liters / year
- Format 10 000 ml

Production Capacities –ESL Milk , fermented products, non-dairy drinks, Syrups, coffee enhancers

Line of products in PET bottles Kronos

- Production capacity: 25 million liters per year
- Formats:
 - 250ml
 - 330ml
 - 500ml
 - 600ml
 - 700 ml
 - 1000ml
 - 1200 ml
- Modern and environmentally friendly packaging with an option for treatment and recycling

PRODUCT PORTFOLIO

ULTRA HIGH TEMPERATURE (UHT) MILK

- 7 months Shelf life
- 1l. Tetra Square
- Re-cap added
- 3%, 1.5% and 0.1% fat
- Storage at 4°C-24 °C

- Flavored UHT Milks
- 7 months Shelf life
- 500/200 ml. packages
- Storage at 4°C-24 °C

PASTEURIZED MILK PACKED IN PET BOTTLE

- 35 days Shelf life
- 1l. PET bottles
- 3%, 2%, 1.5%, 0.1% fat
- Storage at 2°C-6 °C
- Possibilities for different add-ons (for example):
 - With 12 Vitamins added
